Apollo's bird, the bird of the Muses, the emblem of purity, rides no more lightly upon the waters than

KIRK'S WHITE CLOUD FLOATING SOAP.

The Swan is said to live a hundred years: White Cloud is 100% pure.

The spotless plumage of one finds its counterpart in the glistening brightness of the other.

WHITE CLOUD IS A SUCCESS!

Each day's sales exceed those of the day before. The last is, it is a wonderful production.

For bath, toilet, laundry, and all household purposes it has no equal in the world.

A great many people have the idea that the purchase and sale of Investment Securities is the leading feature of our business. While our transactions in bonds aggregate millions yearly, we give our special attention to BANKING, and our facilities as a bank of Discount and Deposit are not exceeded by any bank in the city, either National or Private.

In addition to the ordinary open account subject to check, we issue, when desired, Time Certificates of Deposit bearing interest.

We have on hand at all times the best issues on the market, including Local Securities as well as outside Municipal Bonds. We have on hand today a large loan which we have just taken from the State of Ohio; a choice line of Illinois 6% Farm Loans on conservative valuations for parties desiring real estate security.

We solicit your business.
